## **An Invitation to Serve Your Library**

The library depends on citizen involvement to ensure that its services are as reflective of community needs as possible.

The Dorchester County Public Library Board of Trustees is a 15-member board appointed by its Nominating Committee. As a policy-making body, it guides the development of library services. Terms on the board are three years. The board meets on the third Wednesday of every other month at 6:30pm.

Effective trustees bring to the library knowledge of the community, commitment to the rights of citizens to information, and willingness to continually maintain and strengthen library services.

If you are interested in serving on the Library Board, please complete the form below and return it to the Library Director. This expression of interest will make your name available for consideration by the Library Director and the Nominating Committee at the time of a vacancy, but will not, of course, guarantee appointment. For more information, please contact the Library Director at 410-228-7331 or [crystalh@dorchesterlibrary.org](mailto:crystalh@dorchesterlibrary.org).

Thank you for your interest in serving and supporting the library.
